## RECRUITMENT PROCESS

### Selection Of Candidate's

The recruiting company maintains up-to-date bank of potential candidates with his full personal information of his skill, qualification, experience and other essential information. The advertisement of demand in the National NewsPapers and Television allows the candidates do free competition for the post. The recruiting company holds the Pre-scanning of the candidates and fixes the date of the final interview. The final interview for pre-scanned candidates is conducted by the employer or his representative or the recurring company on employer behalf. The selection is made purely on merit basis and not on racial, secretarial or considered action. The company is confident that the personnel selected by theselection committee will fulfill the employers' need and earn reputation and appreciation from the employer. Medical Check Up Only selected candidates will be sent to an authorized hospital or clinic for a full medical examination. The candidate, only who is fit medically and physically for employment will be eligible to sign the employment contract.

### Medical Check Up

Only selected candidates will be sent to an authorized hospital or clinic for a full medical examination. The candidate, only who is fit medically and physically for employment will be eligible to sign the employment contract.

## RECRUITMENT PROCESS

### Issuance Of Visa

The concerned abroad company applies for the visa on behalf of Radium International Employment Services and sends it back to our company

### Orientation

Prior to the departure of workers, the orientation briefing is organized to make all workers fully aware of the employment country's laws and orders, immigration policy and maintain understanding and cordiality among themselves and aims at the particular activity of the individuals.

The orientation takes special care in briefing them to strictly abide by the guide-line in the field of their employment and direct them to maintain good circumstances and motivates them to their duties and responsibilities.

### Traveling Arrangements

The air tickets can be provided by Max Consultancy (India office) or local purchase to avoid delay. In all case, we sent all the Visa endorsement passport to the concerned Airlines to confirm the schedule flight from India to the nearest airport of the working site.

The Company provides the Airport assistance in India for departing candidates and informs the employer of their departure through email or telephone 12 to 24 hours before the departure
